

**PROBUS CLUB OF CARDIFF LLANISHEN**

## *Visit to the South Wales Aviation Museum*

**10.30 am, THURSDAY 23rd NOVEMBER 2023**

The South Wales Aviation Museum has been set up to preserve the rich aviation history in South Wales and it occupies a hangar to the north of the former RAF St. Athan airfield. It has on display a significant array of aircraft from both military and civil sectors. SWAM encourages a hands-on experience and visitors can board and walk through a number of aircraft and even sit in the cockpits. There are several simulators and exhibition areas with displays featuring everything from equipment to superbly made models.

We have arranged a guided tour for PROBUS members and we will have the Museum to ourselves.

To round off the visit we will be having lunch in the Museum cafe.

The cost which includes entrance, conducted tour and lunch is £20 per person.

Partners and friends are welcome and, as always, places will be allocated on a first-come, first-served basis so, if you wish to take part please email me at [jkeith.moger@gmail.com](mailto:jkeith.moger@gmail.com)

**You will receive an e-mail booking confirmation with directions and further details and the menu choices for lunch.**
